Career Objective:

A self-motivated, hardworking student in information technology, I seek an internship position that will allow myself to explore career options in the IT sector. Eager to learn and to be trained.

Skills:

- Oriented in Microsoft Office Application (Excel, PowerPoint, Publisher and Word).
- Rudimentary in computer programming such as Java, Python, PHP and C++.
- Skilled in windows OS installation, upgrade, downgrade, and troubleshoot.
- Proficient in computer hardware both external and internal hardware.
- Knows the fundamental of web coding with html, css, php and sql for database.

Experience:

VM it Care (IT Assistant)

To develop, deploy and support software. Assist user to new technology. Provide assistant that they need to their computer or laptop. Installing and configuring computer hardware, software, systems, networks, printers, and scanners. Responding in a timely manner to service issues and requests.

Web Developer (Freelance)

Providing e-commerce website for the client and small business of clothing line name Sticker Runners located at Unit 7 #92 Toledos Compound, Bagtas Rd, Tanza, 4108 Cavite. Website is made with PHP, css and sql as database.

PC/Cellphone repair technician (Freelance)

Assembling and disassembling systems, setting up hardware, installing software, jail breaking, and bypassing. Work with the customer to identify hardware or software changes while troubleshooting systems. Replace any broken hardware with fresh components. Conduct every repair with the highest respect for the privacy of the customer.

Keep D'books (Work Immersion)

Any data that needs to be organized and recorded should be encoded accurately and effectively. Handle additional office tasks as requested by management (sending emails, answering phones, sorting documents, etc.).
